### Where do I go to complete the Real Life Application?

<https://reallifechurch.focusmissions.com/#!/#/8652/el-salvador-march-2019>. From here you will be asked to create an account. Follow the steps and you will then be able to submit your application. Once your application is approved you will then receive an email asking you to submit your \$200 non-refundable deposit.

### Where can I make payments or where can I send someone to contribute toward my trip?

Once you have been accepted onto the team, you will have your own profile page when you log into Focus Missions (website above). On your Dashboard, underneath the “Social” section, there will be a personalized link for you that you can share with people that will allow them to make payments toward your trip. BEFORE you share this link, you will want to “Edit Profile” to add a profile picture and add to your “Trip Story”. This will help your supporters know that the link you give them truly is for you and is valid. Also, if they hear your story of why you are GOing, they will be more likely to give.

### How can I check my GO Trip payment balance?

Login to Focus Missions > click on your trip under “My Trips” > click “Funding” on the left hand side of the page
