## ORGANIZATION

Real Life is one organization, governed by a team of elders, with two primary divisions:

1. Real Life Christian Church with campuses in Clermont (including Vida Real), East Orlando, Hunter's Creek, Longwood, UCF, Mount Dora and Kaley.
2. Real Life Christian Academy which has over 500 students K-12.

Despite shared resources, each division is self-sufficient--the generous offerings of each congregation support the church campuses, while tuition and related fees support the academy. Each develops its own fiscal year budget (July 1st through June 30th).

## ACCOUNTABILITY

One of the things we're most proud of is our history of fiscal responsibility. As stewards of God-provided resources, we continuously refine our financial practices including outside professional reviews of our finances and salaries.

Offerings are reviewed independently of the stewards who handle them.

Budget approvals, purchases, check writing, and check signing are separate duties. (Our delegation of authority system governs all contracts, purchase commitments and check signing.)

Bank statements are reviewed separately from deposits, check writing, and accounts payable functions.

Real Life's Loan to Value and Debt Service Ratios are the equivalent of a family with a household income of \$65,000 per year having a \$120,000 mortgage on a home valued at \$185,000.
