

ENCOUNTER WITH GOD

1. PREPARE

Schedule an hour of your week and choose a location that will set you up for success. Maybe it's a quick drive to the lake or even an early morning on your back porch. If you will be driving to your location, consider listening to our Encounter With God Spotify playlist to prepare along the way! It can be found on Spotify under user name **RealLifeFL**.

2. PARTICIPATE

When at your location:

PRAY: Start your time with a short and simple time of prayer inviting God to lead, guide, and speak to you.

READ: Psalm 139. As you read, underline or highlight important verses that seem to connect with you or encourage you. Write out some of your observations and questions from the passage.

3. PONDER

Take 10-15 minutes to reflect in silence on what God's word says. Invite Him to speak to you in these moments.

Resist the urge to do other things and really try to listen.

4. PLAN

Take time to make note of things God stirred in you during this time. Are there any "aha!"s or next steps? Write them down and make a plan for action.

Spend the last few moments of your time praying.

Set a date for your next encounter with God!
