

# STEPS TO A HAPPIER and HEALTHIER HOMESCHOOL EXPERIENCE

Offered by Real Life's Homeschool Cooperative

- Don't stress...ease into it!
- Let them help plan their schedule, but get a routine!
- Breaks are better than breakdowns  
(get some fresh air or a snack)
- Remember teaching your child to learn is more important than only teaching a curriculum
- Use lots of hands on learning and learning games
- Learn alongside your child
- Read often! Let them read aloud to you or have family read-aloud time together
- Give yourself GRACE and know that God will fill in the gaps!
