

At Kid Life, we strive to maintain a **healthy, clean and safe** environment **at all times**. We ask that you **keep your child at home and not use the family lounge area** if they exhibit any of the following symptoms:

- Fever (over 99.5 degrees)
- Runny nose that is yellow or green in color
- Vomiting or diarrhea within the last 24 hours
- Any symptom of childhood diseases such as: Scarlet fever, German measles, mumps, chicken pox or whooping cough
- Common cold – from onset through one week
- Sore throat
- Any unexplained rash
- Any skin infection – boils, ringworm or impetigo
- Untreated pink eye or other eye infection
- Any communicable disease
- Lice, including the presence of eggs or nits

Thank you for understanding these guidelines and helping us make our classrooms healthy for all of our little ones!
